The Church Compass

The Church accompanies us on our journey through life, through the seasons of the year and within the changing circumstances of our daily lives. The following themes can serve as a guide along this path. It can be used individually, as a family or in groups.

Remember: What are the images, sights and sounds you notice as you drive around a city or town, or visit stores during this holiday season? What are some of your favorite memories?

Read: Luke 1:26-38

Reflect: God entered into our world in the most intimate, personal and the most vulnerable way humanly possible - being conceived through the divine power of the Holy Spirit in the womb of the Virgin Mary, allowing Himself to be formed and nurtured within her for the nine months of pregnancy.

Review: *From Mary's perspective, what would have been the most difficult part of this divine event to understand?* 1. That she was, from the very beginning of her own existence, full of grace. 2. She was pregnant and still a virgin. 3. What kind of child her baby was. 4. How to explain her pregnancy to Joseph, her family and friends.

Respond: *From your own perspective, how did you come to know about Jesus, Son of God and Son of Mary?* 1. It happened all of a sudden. 2. It happened over time. 3. I'm still getting to know about Him. 4. I know "about" Him more than I really know Him personally. 4. I talk to others about Him.
